## **New Platinum Nuke Pro Demo Site!**

*10/12/2013 13:04 by sgtmudd*

**We have setup a demo site so you can check out how things work as a user and as admin!**

**Visit <http://www.platinumnukepro.com/demo/> to check it out!**

**The database gets reset every 12 hours so don't worry if you break something ;)**
